

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Pacific Union Elementary

CDS Code: 10-62356

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Annette S. Machado (559) 834-2533 amachado@puschool.org

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

This chart shows the total general purpose revenue Pacific Union Elementary expects to receive in the coming year from all sources.

The total revenue projected for Pacific Union Elementary is \$5,126,437.00, of which \$4,507,428.00 is Local Control Funding Formula (LCFF), \$98,288.00 is other state funds, \$158,769.00 is local funds, and \$361,952.00 is federal funds. Of the \$4,507,428.00 in LCFF Funds, \$1,147,211.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

LCFF Budget Overview for Parents

This chart provides a quick summary of how much Pacific Union Elementary plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

Pacific Union Elementary plans to spend \$5,314,984.00 for the 2019-20 school year. Of that amount, \$4,001,333.00 is tied to actions/services in the LCAP and \$1,313,651.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Pacific Union Elementary School has not included in the LCAP Special Education, general administration, and facilities.

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, Pacific Union Elementary is projecting it will receive \$1,147,211.00 based on the enrollment of foster youth, English learner, and low-income students. Pacific Union Elementary must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, Pacific Union Elementary plans to spend \$1,147,252.00 on actions to meet this requirement.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2018-19

This chart compares what Pacific Union Elementary budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Pacific Union Elementary estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, Pacific Union Elementary 's LCAP budgeted \$1,102,252.00 for planned actions to increase or improve services for high needs students. Pacific Union Elementary estimates that it will actually spend \$1,214,600.00 for actions to increase or improve services for high needs students in 2018-19.

Local Control Accountability Plan and Annual Update (LCAP) Template

[Appendix B](#): Guiding Questions: Use as prompts (not limits)

[California School Dashboard](#): Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Contact Name and Title	Email and Phone
Pacific Union Elementary School	Annette S. Machado Superintendent/Principal	amachado@puschool.org (559) 834-2533

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Pacific Union serves 406 students in grades Tk-8th grade. The unduplicated population is 90.84%. English learners make up 58.4% of the population. 88.1% of the students are socioeconomically disadvantaged. Pacific Union Elementary School District is a 22 square mile rural district. Pacific Union provides a safe and secure environment for students. The student to device ratio is 1:1 in grades TK-8. Students receive additional educational experience outside the classroom through two grade level field trips each year. Pacific Union provides opportunities for parent/guardian/community engagement through school functions, i.e., Back to School Night, Literacy Night, Parent-Teacher Conferences, Craft-Extravaganza, Halloween Parade, May Fiesta Celebration, Open House, Oral Interpretation, etc. Pacific Union is a TK-8 school and the following metrics do not apply: A-G, CTE, AP, EAP, High School Dropout, and Graduation Rates.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

Key features of this year's LCAP include: increased campus safety and upgraded P.E./Sports programs (Goal 2, Action 1 and 6); increased safe and welcoming P.E./sports spaces (Goal 2, Action 2); continued psychological services at 3 days per week (Goal 2, Action 3); additional support for subgroups with Common Core (Goal 1, Actions 1, 3, and 4) ; increased involvement with parent/guardians concerning grades, attendance, and behavior (Goal 2, Actions 3, 4, and 5); continue to provide music for all students in Tk-5 and band for grades 6-8 (Goal 2, Action 7); additional experience for students outside the classroom through field trips (Goal 1, Action 5); full

implementation of the Time to Teach behavior intervention program (Goal 2, Action 5), and increased Professional Development for teachers (Goal 1, Action 6).

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Pacific Union's students have increased performance on state assessments. Students meeting or exceeding standard increased by 14.91% in English Language Arts, and 12.08% in Mathematics. Pacific Union's increased performance percentage was higher than any other district in Fresno County, in both English Language Arts and Math. Additionally the percent of English Learners meeting or exceeding standard at Pacific Union in English Language Arts and Math was higher than the California average for English Learners. The dashboard displays a positive shift, from red to orange, for Suspension Rate. 100% of students are provided sufficient materials. The LCFF funds provided to Pacific Union to increase and improve services have given Pacific Union's students the opportunities and support necessary to continue to make progress in these areas. Pacific Union will build upon its success by providing additional support for the unduplicated population through summer school, after-school tutoring, and intervention programs; field trips; increased technology; and increased parent involvement.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

The state indicator for suspension rate is orange on the California School Dashboard. The steps that Pacific Union plans to take to address this area with the greatest need for improvement includes continuing 3 days per week of psychological services, fully implementing Social and Emotional Learning Curriculum (purchased with MTSS grant funds) school-wide, and tracking students who do not have parent/guardian representation at school events. It is our expectation that these actions will decrease suspension rate.

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

There are no performance gaps.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

[Add text here]

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

[Add text here]

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

[Add text here]

Annual Update

LCAP Year Reviewed: 2018–19

Complete a copy of the following table for each of the LEA’s goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

All students, including subgroups, will make continued academic progress with the intent of meeting or exceeding a year’s growth toward Common Core proficiency, English Language Arts/English Language Development, Mathematics, Science, and all academic disciplines as measured by state and local assessments.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, 7, 8

Local Priorities:

Annual Measurable Outcomes

Expected

Actual

State Standardized Assessments as measured by ELA CAASPP scores Distance from Level 3

Baseline: 2016-2017: -48 points

Target: 2018-2019: -42 points

-16.4, target met

State Standardized Assessments as measured by Math CAASPP scores distance from Level 3

Baseline: 2016-2017: -65 points

Target: 2018-2019: -59 points

-42.3, target met

Percentage of 3rd – 8th grade student reading on grade level (proficient or advanced)

25%, target met

these students.

Action 2

Planned
Actions/Services

Actual
Actions/Services

Budgeted
Expenditures

Estimated Actual
Expenditures

The unduplicated pupils in our district have the lowest academic performance. To address this need, Pacific Union will provide a Curriculum and Technology teacher and Reading Language Specialist to assist students and teachers with mastery of common core and 21st century learning. It is our expectation that providing this will result in increased performance on the ELA CAASPP and Scholastic Reading Inventory over the next three years.

A Curriculum and Technology teacher and Reading Language Specialist were provided to assist students and teachers with mastery of common core and 21st century learning.

Actions/Services

Budgeted
Expenditures

Estimated Actual
Expenditures

Given the unduplicated students in our district have some of the lowest academic performance as measured by the Smarter Balanced Assessment, summer school will be principally directed toward the unduplicated population for English Language Arts and Mathematics and should result in increased academic performance on state assessments for these students.

Summer school was provided for unduplicated pupils for English Language Arts and Mathematics support.

\$50,000

4000: \$8,457
5000: \$10,000

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>Given the unduplicated students in our district have some of the lowest academic performance in English Language Arts/Reading Comprehension as measured by the Smarter Balanced Assessment and Scholastic Reading Inventory, aides (including 3 additionally hired) for daily intervention will be principally directed toward the unduplicated population for English Language Arts and English Language Development, and should result in increased academic performance on state and local assessments for these students.</p>	<p>4 additional aides were hired for daily intervention.</p>	<p>\$68,537 LCFF 2000: \$50,000 3000: \$18,537</p>	<p>\$140,863.08 LCFF 2000:\$95,681.48 3000:\$45,181.60</p>

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>The unduplicated pupils have the least opportunity to learn outside of the classroom. To address this need Pacific Union will provide up to two grade-level off campus field trips to increase background knowledge and English Language Development. It is our expectation that field trips will result in increased growth on the ELPAC over the next three years.</p>	<p>Two grade-level field trips were provided.</p>	<p>\$18,500 LCFF 5000</p>	<p>\$16,287.97 LCFF 4000: \$373.44 5000: \$15,914.53</p>

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>Pacific Union’s dashboard ELA and Math Performance Indicator show improvement is needed with respect to unduplicated students. Our indicator is Yellow for all subgroups. To address this need, Pacific Union will provide teacher professional development activities, coaching to increase instructional effectiveness, and to facilitate grade level meetings that focus on data driven instructional decisions and use research-based best practices in instruction. It is our expectation that these services will result in increased academic performance on state and local assessments for these students.</p>	<p>Professional development activities, coaching, and grade-level meetings was provided.</p>	<p>\$87,800 LCFF 5000</p>	<p>\$26,095.57 LCFF 1000: \$9,660 3000: \$1,300.57 5000: \$15,135</p>

Analysis

Complete a copy of the following table for each of the LEA’s goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Pacific Union Elementary School implemented actions 1, 2, 3, 4, and 5 under Goal 1 as planned with no adjustments. In action 6, teachers continued to receive professional development, coaching, and support around reading and writing. Professional development in Guided Reading expanded to 4th and 5th grade. Continued support in implementing Tk-3rd reading assessments happened throughout the school year. Full implementation of the Benchmark Assessment System for grades Tk-3rd is expected to happen by 2020-21. The district decided to stay focused on reading and writing for grades Tk-8th; and move the planned professional

development for math to the summer and next school year. Therefore the estimated actual expenditure is less than the budgeted expenditure.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

We feel the actions in this goal have been effective for the following reasons: Using the metrics we identified as a measure of success of the implementation of these actions, data this year shows the following:

The ELA CAASPP scores distance from level 3 showed improvement: -45 points to -16.4 points

The Math CAASPP scores distance from level 3 showed improvement: -71 points to -42.3 points

The 25% target was met for 3rd – 8th grade students reading on grade-level (proficient or advance).

The 2% target was met for EL Reclassification.

The target for EL growth of 1 level on ELPAC was met with 17%

We are going to continue monitoring and tracking progress of implementing field trips, classroom aides, professional development, summer school, and after-school tutoring. We expect to continue to see improvement in assessment scores.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The actual expenditures for action 1 was less than budgeted because we budgeted money to spend on support materials. Instead of purchasing extra support materials, teachers used the after school tutoring time to strengthen student study habits and homework support, using existing materials. The district decided to stay focused on reading and writing for grades Tk-8th; and move the planned professional development for math to the summer and next school year. Therefore the estimated actual expenditure is less than the budgeted expenditure. The actual expenditure for action 4 was much greater than the budgeted due to hiring 4 additional instructional aides to meet the needs of our unduplicated student population. The district decided to stay focused on reading and writing for grades Tk-8th; and move the planned professional development for math to the summer and next school year. Therefore the estimated actual expenditure for action 6 is less than the budgeted expenditure.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The goal, actions, and metrics will remain in effect.

Goal 2

The District will maintain a positive and healthy school climate by improving student engagement, maintaining student attendance, and reducing discipline issues. Maintain facilities in good repair as measured by FIT (Facilities Inspection Tool)

State and/or Local Priorities addressed by this goal:

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>Our unduplicated students have some of the highest chronic absenteeism rates and the lowest attendance rates in the school. The unduplicated students also have the least access to playgrounds, parks, and places for fitness. Furthermore, other than the school, the nearest playground is approximately 10 miles away. To address this need, Pacific union will upgrade the TK-8 basketball courts, P.E./Sports and play areas, physical education equipment, as well as provide CPR certification training for all teachers and coaches. It is our expectation that these upgrades will increase attendance for our unduplicated students by providing increased access to more safe and welcoming play and exercise spaces that encourage activity during school hours.</p>	<p>Tk-8 basketball courts were upgraded, P.E. equipment was purchased, CPR certification training for all staff and coaches was provided.</p>	<p>\$266,963 LCFF 4000: \$250,000 5000: \$16,963</p>	<p>\$199,778.19 LCFF 4000:\$2,558.06 5000:\$197,220.13</p>

<p>The unduplicated pupils in our district have the lease access to healthcare. The address this need Pacific Union will provide a full-time registered nurse. This action is developed specifically to focus on the needs of our unduplicated population and principally directed towards unduplicated pupils in meeting the students' needs. It is our expectation that providing a full-time registered nurse will result in increasing attendance over the next three years.</p>	<p>A full-time nurse was provided.</p>	<p>\$60,000 LCFF 5000</p>	<p>\$57,626.50 LCFF 5000</p>

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Pacific Union Elementary School implemented actions 1, 2, 3, 4, 6, 7 and 8 under Goal 2 as planned with no adjustments. Action 5, the Time to Teach program was implemented in classrooms. However, a leadership team was not chosen to provide further support to teachers with the program. The cost of stipends for leadership team members was included in the planned expenditure amount for action 5.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

We feel the actions in this goal have been effective for the following reasons: Using the metrics we identified as a measure of the implementation of these actions, data this year shows the following:

Chronic absence is down from last year. The target of decrease by 0.2% was met.

Average daily attendance has increased to 97%.

Student surveys indicate the target percentage of students feeling safe at school has been met.

Facilities are in good repair with a rating of Good.

Expulsion rate and middle school dropout rate are both at 0.

Although, the target for suspension rate was not met, it only increased by 0.1%.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There were 4 material differences for this goal. The cost to upgrade the TK-8 basketball courts, P.E./Sports and play areas and physical education equipment in action 1 was less than anticipated. Action 5, the Time to Teach program was implemented in classrooms. However, a leadership team was not chosen to provide further support to teachers with the program. The cost of stipends for leadership team members was included in the planned expenditure amount for action 5. The actual estimated was more than the estimated expenditure amount in action 6 because more security cameras were added, in order to expand surveillance to the fields at the south end of campus. There were many additions to action 7. We reinstated an award system for sports. Therefore, sports letters, pins, medals, and trophies were ordered to fill inventory for 3 years. We also restocked our inventory of academic letters, emblems, and trophies for student academic awards. Our sports teams entered more tournaments this year, which increased the cost of transportation, subs for coaches, and coaches' stipends. We hired a full-time music and band teacher, along with music curriculum that he implemented in grades Tk-5th, providing music appreciated and instruction to all students, including the unduplicated students in grades Tk-5. Students, including the unduplicated students, in grades 6th- 8th were given the opportunity to play an instrument in the beginning or advanced band.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Action 1 will be modified to include updated Tk-8th P.E./health program.

Goal 3

Retain and hire Highly Qualified Teachers for all core subjects, purchase state/locally approved curriculum and resources for all courses in order to acquire 21st century learning skills; update Library books and materials.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>Given the unduplicated pupils in our district have the least access to hands-on educational material; Pacific Union will purchase Common Core supplemental materials, including STEM. This action is developed to be principally directed towards unduplicated pupils and effective in meeting the students' needs and Pacific Union's goal to create a 21st century environment for its at-risk unduplicated pupils, and will result in increasing attendance for these unduplicated students.</p>	<p>Common Core supplemental materials, including STEM were purchased</p>	<p>\$95,000 LCFF 4000</p>	<p>\$34,956.80 LCFF 4000</p>

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>Pacific Union's dashboard ELA and Math Performance Indicator show improvement is needed with respect to unduplicated students. Our indicator is Yellow for all subgroups. To address this need, Pacific Union will purchase approved common core curriculum. It is our expectation that these services will result in increased academic performance on state and local assessments for these students.</p>	<p>Approved common core curriculum was purchased.</p>	<p>\$100,000 LCFF 4000</p>	<p>\$13,981.67 LCFF 4000</p>

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>The unduplicated pupils in our district have the least exposure to technology. To address this need Pacific Union will maintain infrastructure services and purchase classroom/Library technology, i.e., chromebooks, headphones, educational app licenses, etc., to specifically meet the needs of our unduplicated population. This action is developed to be principally directed towards unduplicated pupils and effective in meeting the students' needs and Pacific Union's goal to create a 21st century environment for its at-risk unduplicated pupils, and will result in increasing attendance for these unduplicated students.</p>	<p>Infrastructure services were maintained and classroom/library technology was purchased</p>	<p>\$67,000 LCFF 4000</p>	<p>\$90,456.34 LCFF 4000</p>

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>Our unduplicated students have the least exposure to hands-on science materials and supplemental reading materials that they find engaging and that refine the skills they learn in school. We will increase and improve access to supplemental reading materials and hands-on science materials that is principally directed toward unduplicated students and effective in meeting this</p>	<p>Hands-on science materials and supplemental reading material were purchased. All Tk-6 classrooms received upgraded classroom furniture, i.e. students desks and chairs, small group instruction tables and chairs, flexible seating, locking podiums for technology items, and teacher chairs for group instruction. All of these items were purchased to provide unduplicated student access to furniture</p>	<p>\$28,000 LCFF 4000</p>	<p>\$262,731.32 LCFF 4000</p>

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>need. It is our expectation that providing increased access to CCSS aligned supplemental reading material and improved access to hands-on science learning materials will result in increasing unduplicated student attendance as well as increased CAASPP Math and ELA achievement.</p>	<p>that has the versatility to meet a variety of instructional needs to support access to common core standards and increase technology integration into their instructional program.</p>		

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

There are four actions in this goal. Action 1 was intended for the purchase of STEM materials, especially science. However, a science curriculum has not been adopted yet, so the purchase of materials was postponed. Action 2 was far less than budgeted because we took the entire year to review History/S.S. curriculum for grades Tk-5. At the end of the year, a decision was made and those materials will be reviewed and adopted for 2019-2020. However, History/S.S. curriculum was adopted and purchased for grades 6-8. The actual expenditures for action 3 were much higher than the budgeted expenditures because we chose a touch screen model to replace outdated chrombooks, which had a higher cost per chromebook. Chromebooks were also purchased for kindergarten to replace the existing tablets. The total for action 4 was much higher only because we did not receive the invoice for the purchase of 21st century classroom furnishings, which was an action from 2017-18, until the 2018-19 school year. Therefore we had to carry over that amount from the previous year. However, services for action 4 were implemented as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

We feel actions in this goal have been effective for the following reasons: Using the metrics we identified as a measure of success of the implementation of these actions, data this year shows the following:

A score of 100 and target met for the implementation of current state standards as evidenced by the Self Reflection Tool on the Dashboard.

The target met for properly assigned teachers as 100% of teachers are properly credentialed.

The target was met for Broad Course of Study as evidenced by teacher lesson plans and curriculum calendars.

Target met for sufficient material as 100% of students have access to sufficient materials.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The expenditures for action 1 was much less than anticipated because we did not yet have a science curriculum adopted. The majority of the budgeted expenditures was intended to be spent on supplemental science materials in order to accompany the adopted science curriculum. Action 2 was far less than budgeted because we took the entire year to review History/S.S. curriculum for grades Tk-5. At the end of the year, a decision was made and those materials will be reviewed and adopted in 2019-2020. The total expenditures for action 3 were about \$17,000 more than budgeted due to the purchase of additional chromebooks to accommodate the increase in enrollment. The cost of each chromebook was more than anticipated because we chose to purchase touch screen chromebooks. The total expenditures for action 4 were \$234,000 more than anticipated due to a late invoice. The 21st century classroom furnishing was an action item from 2017-2018, and was installed in classrooms at the end of the 2017-2018 fiscal year. However, the invoice was not billed until August 2018.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Action 1 will be modified. We will add Art to STEM, making it STEAM (Science, Technology, Engineering, Art, Math). Action 4 will be modified to include additional 21st century classroom furniture. We will change “science hands-on materials” to “common core hands-on materials” to provide the opportunity for teachers to increase student engagement and student access to common core curriculum across all subjects.

Goal 4

Increase parent/guardian/community involvement in students' education.

State and/or Local Priorities addressed by this goal:

State Priorities: 3

Expenditures

unduplicated pupils. Meetings will include food, parent resources, and interpreters. The meetings will be published in the school calendar and on Pacific Union's website in English and Spanish. This action is developed specifically to focus on the needs of our unduplicated population and principally directed towards unduplicated pupils and effective in meeting the students' needs and Pacific Union's goal to increase parent involvement.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The action for goal 4 was implemented as planned. We did not get to upgrade our school website and/or provide extra parent resources as planned.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

We feel the action in this goal has been effective for the following reasons: Using the metrics we identified as a measurement of success of the implementation of this action, data this year shows the following:

The target was met by maintaining 97% percent of Parent/Guardian attendance to at least one school function as measured by teacher check list

Target met for parent/guardian engagement as measured by information collected through surveys. 97% of surveys were completed by parents/guardians.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The actual expenditures was less that the budgeted because we did not get to upgrade our school website and/or provide extra parent resources as planned.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There are no changes made to this goal, expected outcomes, metrics, or actions and services.

Stakeholder Engagement

LCAP Year: 2019-20

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

August 2018 – Back-to-School Night District wide dissemination of information concerning LCFF and LCAP

January through May 2019 – LCFF and LCAP were added during informational portion of board meetings to answer questions and gather feedback from board, community members, and parents.

September 2018 through May 2019 – LCFF and LCAP were discussed at weekly teachers' meetings and with Administration and Pacific Union teacher bargaining reps.

November 2018 through April 2019 – LCFF and LCAP were discussed at regularly scheduled ELAC/DELAC meetings

November 2018 – LCAP goals and actions were discussed at stakeholder meeting

March 2018 – LCAP goals and actions were discussed at stakeholder meeting

April 2019 – LCAP Surveys were available online on the District website in Spanish and English

April 2019 – Spanish/English Parent/Community LCAP surveys were disseminated at Open House, and sent home with students

April 27, 2019 – Deadline for return of Spanish/English Parent/Community LCAP surveys

April 2019 – Student surveys were available online. Teachers set aside time during class for students to respond

May 2019 – Certificated/Classified surveys were distributed

May 4, 2019 – Deadline for return of Certificated/Classified LCAP surveys

May 2019 – Survey results were compiled and discussed in open session at board meeting, teachers' meeting, ELAC/DELAC meeting (one-school district), School Site Council and DAC meetings.

May 2019 – Annual Update of LCAP was presented for School Site Council, DAC, and ELAC/DELAC

May 28, 2019 - LCAP presented at board meeting to the board and public, public comment was taken, written feedback by the DAC and DELAC groups was responded to in writing by superintendent

May 22 – June 20, 2019 – LCAP public comment period

June 29, 2019 – All Stakeholder input was considered. LCAP public comment period continued. The LCAP final draft has been revised accordingly, presented at the board meeting, and has been board approved prior to the Fresno County Office of Education.

There is not a Classified Union.

Classified employees and students were present at School Site Council meetings and DELAC meetings, where LCAP was discussed

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

Input from the stakeholder groups was instrumental in the development of the Local Control Accountability Plan. Each group provided valuable information regarding the needs and services for each subpopulation of Pacific Union School District. Information was gathered through: online surveys and written surveys distributed schoolwide in English and Spanish, individual meetings with each stakeholder group, open house events, teachers' meetings, and district board meetings. Key areas identified by this data indicate a need for: increased technology and access to educational apps and programs (Goal 3, Action 3); campus safety (Goal 2, Action 2 and 6); additional support for subgroups with Common Core (Goal 1, Actions 1, 3, and 4); additional experience for students outside the classroom through field trips (Goal 1, Action 5); psychological services (Goal 2, Action 3); and Professional Development for teachers (Goal 1, Action 6). All these suggestions were included in the 3 year plan.

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged

Goal 1

All students, including subgroups, will make continued academic progress with the intent of meeting or exceeding a year's growth toward Common Core proficiency, English Language Arts/English Language Development, Mathematics, Science, and all academic disciplines as measured by state and local assessments.

State and/or Local Priorities addressed by this goal:

State Priorities: 1,2,4,7,8

Local Priorities:

Identified Need:

Our dashboard shows the state indicators for English Language Arts and Math are orange. To address this we must ensure a focus on improving academic outcomes for all students in these areas. Although the EL indicator is orange, the data is out of date. The English Learner State Indicator is not yet determined.

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
State Standardized Assessments as measured by ELA	<u>2016-2017</u> -48 points	-43	-42	-25

2019-20 Actions/Services

The unduplicated pupils have the least opportunity to learn outside of the classroom. To address this need Pacific Union will provide up to two grade-level off campus field trips to increase background knowledge and English Language Development. It is our expectation that field trips will result in increased growth on the CELDT/ELPAC over the next three years.

2017-18 Actions/Services

Pacific Union’s dashboard ELA and Math Performance Indicator show improvement is needed with respect to unduplicated students. Our indicator is Yellow for all subgroups. To address this need, Pacific Union will provide teacher professional development activities, coaching to increase instructional effectiveness, and to facilitate grade level meetings that focus on data driven instructional decisions and use research-based best practices in instruction. It is our expectation that these services will result in increased academic performance on state and local assessments for these students.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: 2019-20

Estimated Supplemental and Concentration Grant Funds

Percentage to Increase or Improve Services

\$ 1,147,211

35.77 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Using the calculation tool provided by the state Pacific Union Elementary School District has calculated that it will receive \$1,147,211 in supplemental and concentration funding under the Local Control Funding Formula (LCFF). The details of these expenditures are itemized in the Goals, Actions & Services section of this plan and include summer school, intervention programs, after school tutoring, Time to Teach System, professional development, field trips, music program, a Nurse, a Reading Specialist, a Curriculum Technology Teacher, Instructional/Intervention Aides, supplemental materials, technology upgrades, playground and physical education upgrades, increase psychologist services, maintain and increased security cameras, increase in afterschool activities for students, supplemental reading materials and associated furniture, increased parent engagement activities, and Aeries Parent Portal to better serve our unduplicated population. All actions and expenditures of funds marked as contributing to increased or improved services were taken with the needs of our unduplicated population in mind based on careful analysis of data and input from stakeholders. All of these actions are principally directed toward our unduplicated student population to help Pacific Union be effective in meeting the goals of the LEA. Under each action marked for increased or improved services is a detailed explanation of how that action is principally directed toward the unduplicated student population and effective in helping those students meet the goals of Pacific Union Elementary School District. Since our unduplicated student population count is 90.84% all of these actions and services are being performed on districtwide basis in order to increase efficiency of the delivery of these actions and services. In addition, using the same calculation tool, the proportionality percentage has been calculated at 35.77%. Pacific Union Elementary School District has demonstrated that is has met the 35.77% proportionality percentage by expending \$1,147,211 in funds on actions and services that are principally directed

toward the unduplicated student population as summarized above and explained in detail in this plan in the Goals, Actions, and Services Section.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds

Percentage to Increase or Improve Services

\$ 1,030,393

35.36%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Using the calculation tool provided by the state Pacific Union Elementary School District has calculated that it will receive \$1,030,393 in supplemental and concentration funding under the Local Control Funding Formula (LCFF). The details of these expenditures are itemized in the Goals, Actions & Services section of this plan and include summer school, intervention programs, after school tutoring, Time to Teach System, professional development, field trips, music program, a Nurse, a Reading Specialist, a Curriculum Technology Teacher, Instructional/Intervention Aides, supplemental materials, technology upgrades, playground and physical education upgrades, increase psychologist services, maintain and increased security cameras, increase in afterschool activities for students, supplemental reading materials and associated furniture, increased parent engagement activities, and Aeries Parent Portal to better serve our unduplicated population. All actions and expenditures of funds marked as contributing to increased or improved services were taken with the needs of our unduplicated population in mind based on careful analysis of data and input from stakeholders. All of these actions are principally directed toward our unduplicated student population to help Pacific Union be effective in meeting the goals of the

LEA. Under each action marked for increased or improved services is a detailed explanation of how that action is principally directed toward the unduplicated student population and effective in helping those students meet the goals of Pacific Union Elementary School District. Since our unduplicated student population count is 90.84% all of these actions and services are being performed on districtwide basis in order to increase efficiency of the delivery of these actions and services. In addition, using the same calculation tool, the proportionality percentage has been calculated at 35.36%. Pacific Union Elementary School District has demonstrated that it has met the 35% proportionality percentage by expending \$1,030,393 in funds on actions and services that are principally directed toward the unduplicated student population as summarized above and explained in detail in this plan in the Goals, Actions, and Services Section.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2017-18**

Estimated Supplemental and Concentration Grant Funds

Percentage to Increase or Improve Services

\$ 996,338

35.92 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Using the calculation tool provided by the state Pacific Union Elementary School District has calculated that it will receive \$996,338 in supplemental and concentration funding under the Local Control Funding Formula (LCFF). The details of these expenditures are itemized in the Goals, Actions & Services section of this plan and include summer school, intervention programs, after school tutoring, Time to Teach System, professional development, field trips, a Nurse, a Reading Specialist, a Curriculum Technology Teacher, Instructional Aides, supplemental materials, technology upgrades, playground and physical education upgrades, increase psychologist services, maintain and increased security cameras, increase in afterschool activities for students, supplemental reading materials and associated furniture, increased parent engagement activities, and Aeries Parent Portal to better serve our unduplicated population. All actions and expenditures of funds marked as contributing to increased or improved services were taken with the needs of our unduplicated population in mind based on careful analysis of data and input from stakeholders. All of these actions are principally directed toward our unduplicated student population to help Pacific Union be effective in

meeting the goals of the LEA. Under each action marked for increased or improved services is a detailed explanation of how that action is principally directed toward the unduplicated student population and effective in helping those students meet the goals of Pacific Union Elementary School District. Since our unduplicated student population count is 89.9% all of these actions and services are being performed on districtwide basis in order to increase efficiency of the delivery of these actions and services. In addition, using the same calculation tool, the proportionality percentage has been calculated at 35.92%. Pacific Union Elementary School District has demonstrated that it has met the 35.92% proportionality percentage by expending \$996,338 in funds on actions and services that are principally directed toward the unduplicated student population as summarized above and explained in detail in this plan in the Goals, Actions, and Services Section.

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

[Annual Update](#)

[Stakeholder Engagement](#)

[Goals, Actions, and Services](#)

[Planned Actions/Services](#)

[Demonstration of Increased or Improved Services for Unduplicated Students](#)

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcf@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

Planned Actions/Services

For each action/service, the LEA must complete either the section “For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement” or the section “For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement.” The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The “Students to be Served” box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering “All”, “Students with Disabilities”, or “Specific Student Group(s)”. If “Specific Student Group(s)” is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify “All Schools”. If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA’s overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating “LEA-wide”, “Schoolwide”, or “Limited to Unduplicated Student Group(s)”. The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter “LEA-wide.”
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter “schoolwide”.
- If the action/service being funded and provided is limited to the unduplicated students identified in “Students to be Served”, enter “Limited to Unduplicated Student Group(s)”.

For charter schools and single-school school districts, “LEA-wide” and “Schoolwide” may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use “LEA-wide” to refer to all schools under the charter and use “Schoolwide” to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use “LEA-wide” or “Schoolwide” provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate “All Schools”. If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may

be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the “Goals, Actions, and Services” section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the “Demonstration of Increased or Improved Services for Unduplicated Students” table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.
- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
 - a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
 - b. Mathematics – CCSS for Mathematics
 - c. English Language Development (ELD)
 - d. Career Technical Education
 - e. Health Education Content Standards
 - f. History-Social Science
 - g. Model School Library Standards
 - h. Physical Education Model Content Standards
 - i. Next Generation Science Standards
 - j. Visual and Performing Arts
 - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);
- D. The English learner reclassification rate;
- E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;
- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

- A. Pupil suspension rates;

- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

- A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

(1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

(A) enrolled less than 31 days

(B) enrolled at least 31 days but did not attend at least one day

(C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

(i) are enrolled in a Non-Public School

(ii) receive instruction through a home or hospital instructional setting

(iii) are attending a community college full-time.

(2) The number of students who meet the enrollment requirements.

(3) Divide (1) by (2).

(b) “High school dropout rate” shall be calculated as follows:

(1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(c) “High school graduation rate” shall be calculated as follows:

(1) For a 4-Year Cohort Graduation Rate:

(A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

(B) The total number of students in the cohort.

(C) Divide (1) by (2).

(2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

(A) The number of students who either graduated as grade 11 students or who earned any of the following:

(i) a regular high school diploma

(ii) a High School Equivalency Certificate

(iii) an adult education diploma

(iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

(B) The number of students in the DASS graduation cohort.

(C) Divide (1) by (2).

(d) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(e) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?
